

### REMARKS

This Supplemental Amendment and Response makes corrections to the Abstract and page 1 of the Specification as requested by the Examiner after reviewing the original Amendment and Response submitted 12/21/2005.

Further examination and reconsideration in view of the claims, remarks, and arguments set forth below is respectfully requested.

### SPECIFICATION

According to the Examiner, the original Amendment and Response submitted 12/21/2005 failed to have the Amended Abstract in a separate sheet. Herein, the Amended Abstract is submitted in a separate sheet.

On page 1, line 5, of the specification, the application incorporated by reference is not identified by serial number and is not inserted by the original Amendment and Response submitted 12/21/2005. Herein, the serial number has been inserted. No new matter was added.

### CONCLUSION

It is respectfully submitted that the above claims, arguments, and remarks overcome all rejections. All remaining claims are neither anticipated nor obvious in view of the cited references. For at least the above-presented reasons, it is respectfully submitted that all remaining claims are in condition for allowance.

The Examiner is urged to contact Applicants' undersigned representative if the Examiner believes such action would expedite resolution of the present Application.

Please charge any additional fees or apply any credits to our PTO deposit account number: 50-3718.

Respectfully submitted,
